DETAILED ACTION

Prelim./Amdt.

1. Receipt is acknowledged of the amendment filed 6/14/2005.

Allowable Subject Matter

2. Claims 1-18 are allowed.
3. The following is an examiner's statement of reasons for allowance: With regard to independent claim 1, while the prior art of record discloses a planar surface illuminator for a liquid crystal display panel, a light guide plate and a plurality of point light sources, there in no prior art discloses a number of scattering dots positioned on and integrated with optical input surface, wherein each group of at least three scattering dots has one point light source. Claims 2-18 depend from claim 1. Therefore, claims 1-18 are patentable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
